

When Les Winkler showed me an FBI (Not WC)  
memo on the interview with Annally I told him it rep-  
resented what must be countless words not given to  
106- FBI versions. Later told him it had to reflect  
what in tonight's conversation I called a phone back  
channel. I told him who to call & see it/which was  
what to ask for to Winkler. Thus, he sent me the  
attached pages. They prove it. Les spotted a difference  
in what was actually said before I could amp up (I  
was in hospital)... The FBI internal memo which  
was by Rosen to Belmont cc: deLoach & Sullivan  
is dated 12/13/63. The ~~Houston~~<sup>Austin</sup> interview was 12/11,  
dictated 12/12 & not typed until 12/13.... It is in  
tracing this that Les found proof of all those other  
versions & ~~reported~~<sup>repeated</sup> some... They moved The Annally  
story today for Saturday use... I had told Les I  
published the story cutting out of FBI version but  
if Jack would not credit use any way, it did,  
was embarrassed, spoke to Jack, & Jack offered  
plug in new book. I said I had no interest  
in personal publicity but why would they not say  
I am the country's smallest publisher at Fred?  
He likes this approach, thinks Jack will. Offered  
him several items from it. He is to call to-  
morrow. 10/28/75
